Policy document for evaluation of COs and POs

The college will make assessment regarding attainment of programme outcomes (POs) and course outcomes (COs) on a regular basis. COs will be evaluated at the end of each semester. For CO evaluation both direct and indirect method will be followed. COs will be evaluated on the basis of the marks obtained by the students in two continuous internal assessments (CIAs) and marks obtained in the university examinations. Besides, for CO evaluation students' feedbacks will be collected regarding their perception about the outcome of the particular course. Course outcome level for each of the students will be assessed on the basis of the scores calculated based on the marks obtained in CIAs, university result, and students' feedback. POs will be evaluated on the basis of the final year results of the students.
